

TumbleTown continues to follow a comprehensive health and safety policy.

Health checks for all participants (Students, parents and staff)

- All families are required to complete our online COVID-19 Health Screening form PRIOR to entering the TumbleTown facility
 - Accessed via TumbleTown website; form to be completed every time when entering facility.
 - One guardian may complete on behalf of the participant and household. Any attendees entering from a different household must complete a separate assessment.
- Anyone exhibiting COVID symptoms will not be permitted to enter the facility.
- Should symptoms present during class time, student will be isolated and sent home.
- We follow the current guidelines of Vancouver Coastal Health.

In-Gym Personal Health & Safety

- All persons must wash hands using proper handwashing technique immediately after entering facility and again at the end of class.
- Face Masks:
 - We respect coaches' and families' comfort and personal decisions regarding the wearing of masks
- All participants are required to bring their own water bottles. We will not be providing cups or access to filtered water.
- Children are recommended to wear socks with good quality grip, gymnastics slippers or bare feet. For safety reasons, socks without grip will not be allowed.

Enhanced Cleaning Standards & Procedures

- Enhanced cleaning and disinfecting of the gym, equipment and common area in between each session.
- Cleaning and sanitizing of all balls, toys and props between classes.
- TumbleTown is using Hospital-grade disinfectant certified by Health Canada to disinfect all surfaces including carpets and soft surfaces.
- The facility is not available for use following class: families are asked to gather belongings and leave the facility. While we wish we could stay and chat, we will be thoroughly cleaning the gym and common area and requiring the area to be vacant as a courtesy to the next families attending.

Front Desk:

- The front desk is mostly virtual. Submit all questions to our Member Services team at service@tumbletown.ca
- All registrations to be completed online or via email to service@tumbletown.ca
- All payments must be made through our online ePayment system. There is limited in-person cash, credit or debit payments at this time.
